INVESTORS IN  
COMMUNITY

We are so happy to hear you are interested in signing up to the IIC platform! Being a part of our community means your supporters can give in the way that you need most, and helps them to keep a track of all they have done for you.

## HOW TO DO IT

- Go to the [Investors in Community website](#) and click register in the top right hand corner.
- Press the bar on the left-hand side - create good cause, and your page will turn green. Fill in your personal details as prompted, then proceed to the next step.  
PS. if you face any difficulties getting through, make sure you when you are filling in your address, you type the information out, rather than using auto-fill!
- Then fill in the charity details, and click create account. You will need to verify your email address, and then you are in!
- To access the charity profile, log in with your individual username and password, follow the yellow switch profile button in the top right hand corner, and click on the charity profile. From here, you can access all of the charity functions!
- Make sure to go to account settings and fill in your charity description and profile picture. If you would like to add any extra admins, you can do so from the admins tab.
- Set up some projects using the guide below, and advertise your membership using our asset pack!
